2010-2011

Our answer to helping to keep kids fit—Homework and Physical Fitness!

It's after school and you are still at work, the kids need to work on their homework and they need some time to play and have fun. What is a parent to do? The Answer; the YMCA after-school programs! You can send your child every day, use on a week here or there or if something comes up on a particular day, don't worry; we can help. Sign your child up for the routine that best fits your schedule. Advance sign-ups at our Reception Desks is encouraged.

All sites end at 6:00 p.m. and runs everyday that school is in session up until June 17, 2011. We also provide a lot of fun on scheduled 1/2 days at each site so those extended hours don't seem that long-check your school calendar for the dates.

Our answer to holidays and no-school days Holiday Camps and Weather Day Camps

Your children can spend the day with us at our West Family Facility or Binghamton Facility anytime between the hours of 7 a.m. and 6 p.m. Staff plan a day that gives your child a wide variety of activities throughout the day. Your child will experience a day full of recreational play that stimulates, challenges and motivates them. New friends are made and old friends are back!

All staffs are state cleared, trained and experienced. We want your child to be safe, comfortable and happy when they spend their time with us.

YMCA Membership is not required to sign your child up but if you are interested in Membership cost is \$65/year. Our YMCA Character Values; Caring, Honesty, Respect and Responsibility contribute to a positive environment .
